Project Details

Item	Includes
Website Scope	Professional One Page design optimized for mobile devices
Domain	Custom .com domain free for the first year
Security Protocol	HTTPS with SSL certificate
Web Development	HTML5, CSS3, JavaScript, React, Tailwind CSS.
Professional Image Gallery	Included (up to 25 optimized images)
WhatsApp Chat	WhatsApp integration.
Contact Form (Inquiries or Bookings)	Included (inquiries and bookings).
Sections	Up to 6 main sections
Basic Web Accessibility	Included as added value
Scroll-to-top Button	Included
Training	Basic PDF guide for website management

Total Website Cost

€375.000

Includes design, implementation, optimization, and initial support.

Hosting Options

Option	Amount (CRC)
Annual Hosting	₡150.000 / year
Monthly Hosting	₡14.000 / month

Recommendation: The annual plan ensures greater stability and continuous support.

Web Hosting Management

For this project, it is recommended to hire an **annual hosting plan** to ensure stability and avoid recurring payments. The hosting provides online space, technical support, and permanent access from any country.

The .com domain will be free for the first year as part of this proposal.

Item	Details
